

How HIA Can Inform Further Work With Local Government

Maria Beer - SWSLHD Population Health

Tina Britton - Wollondilly Shire Council

Carolyn Whitten – Wollondilly Shire Council

Learning by Doing

- History of HIA for the SWS Local Health District
- Learning by Doing training model
- LHD Position on HIA's

When Health met Wollondilly

- How did we get here?
- Our HIA project.. Why Wilton Junction?
- Who participated in the training and why?

Building Momentum

- Nov 2015 - Health in Planning Forum
- May 2016 - MOU
- 2016/17 – Research Project
- 2017/18 - Health Assessment Protocol

August 2017

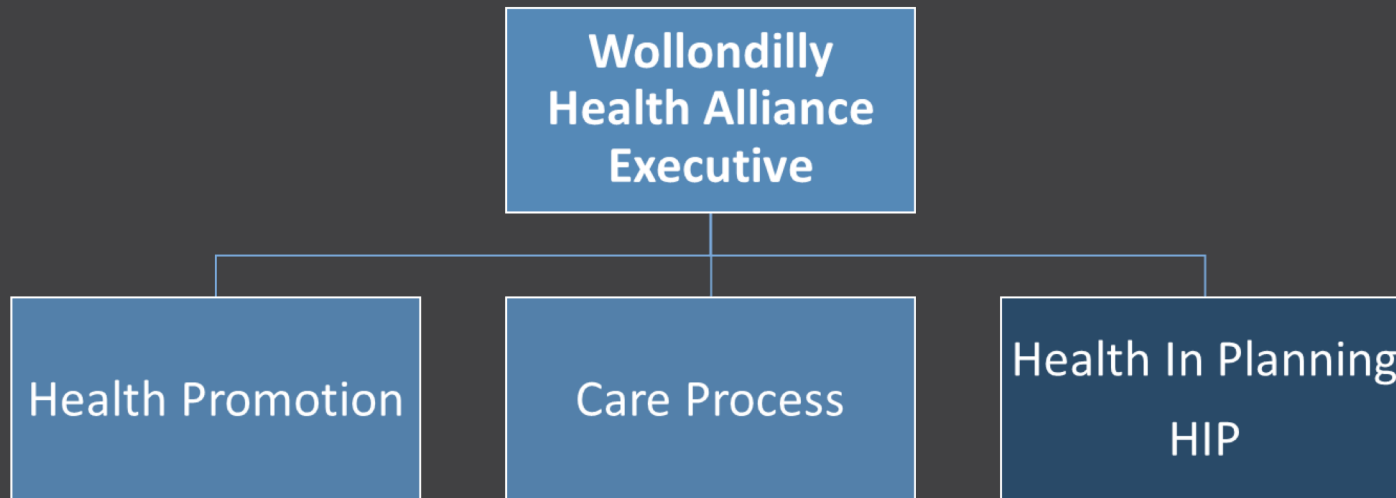

Integrating Health Considerations into Wollondilly Shire Council Planning Processes

Katie Hirano, Fiona Haight, Kariz Jaques, Alana Crimeen

Centre for Health Equity Training, Research and Evaluation (CHETRE)
Part of the Centre for Primary Health Care and Equity,
UNSW Sydney
A member of the Ingham Institute

Embedding the Partnership

Embedding the Partnership

- Health in Planning (HIP) Working Group
2017
- Strategic approach –
CSP - Strategic Plan
- Exploring Joint position
- Health & Council

Adding Value

LHD

- Build skills and capacity
- Healthy populations
- Engagement and working relationships
- Sustained relationships
- Understanding other organisation's processes and understanding where Health fits

Council

- Build skills and capacity
- Healthy communities
- Engagement and working relationships
- Sustained relationships
- Greater awareness of health, wellbeing and equity

Collaboration Tips

- Be clear about expectations/what's involved
- Identify a driver from each Organisation
- Set agreed milestones, meet regularly.
- Involve a range of stakeholders
