Research Priorities Forum - Research Priorities for Central and Eastern Sydney

The Centre for Primary Health Care and Equity, UNSW in collaboration with Sydney Local Health District (SLHD), South Eastern Sydney Local Health District (SESLHD) and Central and Eastern Sydney Primary Health Network (CESPHN) invite you to attend our half day research priorities forum.

Purpose of the day:

- To build on the Central and Eastern Sydney (CES) primary and community health research priorities identified at the previous workshop.
- To have a shared understanding of the Primary and Community Health Cohort/Linkage Resource (P&CH) including past achievements and future opportunities to answer questions relevant to CES.
- To identify a program of research that could be undertaken over the next 1-3 years using P&CH with/without enhancements to meet the identified priorities in CES.

Agenda:

Time	Item
9.30 am	Welcome and Introductions (<i>Prof Mark Harris, Chair</i>)
9.45 am	Progress to date (<i>A/Prof Margo Barr</i>)
10.15am	Keynote Speaker – <i>Prof Jean-Frédéric Levesque</i> The keynote presentation will highlight the importance of linkage data resources, provide examples of their use and challenge the audience to identify and develop feasible priority research questions
10.40am	Landscape and partner priorities (<i>presentations from SLHD, SESLHD and CESPHN</i>) Presentations from SLHD, SESLHD and CESPHN on the primary health care and integration priorities and the current issues that they are dealing with.
11.00 am	<i>Morning Tea</i>
11.20 am	Research Priorities – Broad Research Themes (<i>facilitator A/Prof Margo Barr</i>) A broad research themes matrix will be presented from discussions to date. These and others identified on the day will be discussed and developed into specific research priorities.
12.00 pm	Research Priorities – Specific Research Priorities (<i>facilitator A/Prof Elizabeth Comino</i>) A traffic light approach will be applied to the 4 highest research priorities identified ie what can be done now using P&CH; what is possible but needs more data/resources and what is not possible.
12.30 pm	Panel discussion (<i>facilitator Prof Mark Harris</i>) Panel will include representatives from CPHCE, SLHD, SESLHD and CESPHN. Discussion will be on the challenges and opportunities of the research priorities that have been developed.
1.00 pm	Wrap up and identification of next steps followed by Lunch – <i>Prof Mark Harris</i>
